

# TRADES**WOMEN** NI

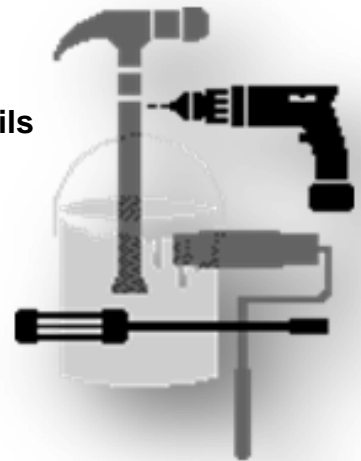

## Building tomorrow's world

**TRADES**WOMEN** NI is now offering a One Day Training Course in **DIY****

No previous experience is necessary to take part in this course. You will have a fully qualified Instructor who will explain and demonstrate all the tools and equipment that you will be using. You will have the opportunity to practice all the skills with the assistance of the Instructor.

**On this one day course in DIY you will cover the following:**

- Know your Power Tools and their purpose
- How to use Power Tools safely
- Drill bits and their purposes
- What you need for a basic tool kit
- Getting to know trade products e.g. gripfill, no nails
- Attaching
  - Dado rails
  - Architrave
  - Skirting Boards
- Putting up a shelf on different types of surface
  - Boast Plaster Wall
  - Solid Brick Wall
  - Wood etc
- How to put up a curtain rail

***This course will run from 10am – 2.30pm – Refreshments will be provided***
