

# TRADES**WOMEN** NI

## Building tomorrow's world

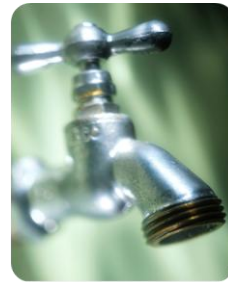

TRADES**WOMEN** NI is now offering a One Day Training Course in **Plumbing & Electrics**

No previous experience is necessary to take part in this course. You will have a fully qualified Instructor who will explain and demonstrate all the tools and equipment that you will be using. You will have the opportunity to practice all the skills with the assistance of the Instructor.

**On this one day course in Plumbing & Electrics you will cover the following:**

### ● Basic home plumbing

- Mend a dripping tap
- Unblocking kitchen sinks
- Where to turn off the water in a house
- Different types of cisterns
- Bleeding a radiator

### ● Basic home electrics

- How to wire a plug
- How to fit a dimmer switch
- How to fit a double wall socket
- How to fit a door bell
- Extension leads
- Fuses

### ● What tools you need to build up a basic tool kit

***This course will run from 10am – 2.30pm – Refreshments will be provided***
