

TRADES**WOMEN** NI

Building tomorrow's world

TRADES**WOMEN** NI is now offering a One Day
Woodwork Project Workshop

No previous experience is necessary to take part in this course. You will have a fully qualified Instructor who will explain and demonstrate all the tools and equipment that you will be using. You will have the opportunity to practice all the skills with the assistance of the Instructor and you will take home a finished item.

On this one day Woodwork course you will cover the following:

- Know your Power Tools and their purpose
- How to use Power Tools safely
- Different woodwork tools
- How to use a woodwork tools effectively
- Sanding wood
- Finishes
 - Varnish
 - Paint
 - Wax
- Make one of the following projects to take home
 - Mug Tree
 - Bookends
 - Spice Rack

This course will run from 10am – 2.30pm – Refreshments will be provided
